

## **APPRENTICESHIPS with PATA – specialist childcare training**

We can support your Nursery or Playgroup to help train future childcare workers?

Can you support a 16-18 or 19-23 year-old to have high quality learning experiences and possibly become one of your highly skilled practitioners?

Minimum apprenticeship wage is £2.68 in the first year, ideally they will be employed for 30 hours a week and will be required to attend training one day a week. The £1500 AGE GRANT is available to settings who have not employed an apprentice before or in the last year, to offset the wage paid.
